

was acquired by

SIEMENS

Eden Technology Pty Ltd, an Australian technology company, was acquired by the Siemens IT Solutions and Services business.

Eden Technology is a specialist technology company with 30 years of experience delivering software solutions and services to the defense, maritime, and evidence management industries.

This acquisition enhances Siemen's range in product lifecycle management, asset management, and civil & national security solutions.

Clairfield Partners in Australia (InterFinancial) acted as the exclusive financial advisor to Eden Technology.
