Holland Venture Partners, the Netherlands-based private equity firm, acquired a stake in Interhealth B.V., the Netherlands-based company engaged in providing mental healthcare treatment.

Holland Venture Partners specializes in small to midcap investments and has a strong focus on the healthcare sector.

Interhealth is the parent company of Mentaal Beter and Innohealth. Mentaal Beter is a patient-oriented provider of mental health care. With more than 400 psychologists, psychiatrists and psychotherapists, the company offers high quality mental healthcare treatments through more than 100 practices across the Netherlands. Using e-health programs and measurement systems developed by Interhealth and subsidiary Innohealth, Mentaal Beter is optimally positioned to offer treatment that is more effective than traditional treatment methods. In six years, Mentaal Beter increased revenues to EUR 25 million.
