Coverpla, a French perfume and cosmetic glass packaging company, has been acquired through a **MBI**.

Coverpla, founded in 1946 near Nice in the South of France, is a leading packaging components supplier for the perfume and cosmetic industry. Specializing in the design and distribution of bottles, jars and stopping accessories, the company is particularly recognized for its silkscreen printing and finishing techniques. It enjoys a premium perfume creators customer portfolio such as Annick Goutal, L'Occitane, Parfum d'Image, Rasasi...

Avenir Entreprises, a CDC Entreprises and Oseo subsidiary, **Société Générale Capital Partenaires** and **BNP Paribas Développement**, act as minority equity investors.

Senior debt has been provided by **Société Générale** and **Le Crédit Lyonnais**.
