Boix Maquinaria in Spain acquired 50% of Boix Europe, based in the Netherlands.

Boix Maquinaria SA, located in Alicante Spain, manufactures industrial packaging machinery (tray erecting machines) for the fresh fruit, produce and meat markets. Boix is considered a leader in its market niche supplying the fastest boxing machines available in the market.

Boix Europe BV exclusive distributor of Boix machinery in Europe, was previously owned in its entirety by Gremio Vitalis. Ownership is now split between Boix Maquinaria and Gremio Vitalis.

Clairfield Partners in Spain (Coram Clairfield) and the Netherlands (Boer & Croon) acted as the exclusive financial advisor to the Boix Maquinaria.
