2010

Talentsquare acquired ILIA - Institut International Aéronautique.

Founded in 1993, ILIA is a leading French provider of professional training for the aviation industry. ILIA provides exam training for cockpit personnel / pilots and cabin crew (Ecole Nationale d'Aviation Civile, Air France...), as well as aviation English sessions. It also offers English language courses for corporate clients and private individuals (TOEIC, BULATS...).

talentsquare is a human resources consulting firm offering recruitment, coaching, business development assistance, transition management and professional training. The company is 100% owned by the intuitucapital holding branch.

Clairfield Partners in France (intuitucapital) acted as the exclusive financial advisor to the buyer.
