2011

Web Development Company (WDC) Limited, a leading Professional Staffing and IT services company offering consulting, development and application support services to several large clients in India and Asia Pacific, sold a 74% stake in the company to Manpower Group, the world's first innovative workforce solutions company. WDC would become the exclusive vehicle for all IT-related staffing and services operations of Manpower Group in India.

Founded in 1998, WDC has grown rapidly over the years to become a leading IT services and staffing company offering consulting, development, application support and staffing services. The company works closely with leading bluechip companies to augment, manage and develop custom solutions for their technology needs.

WDC's experienced development team of over 1,200 highly-skilled IT professionals work with their clients onsite or offsite in building out custom technology solutions. The company operates from Kolkata, Delhi, Bangalore, Pune and Singapore. More information on WDC is available at [www.wdc.in](http://www.wdc.in).

ManpowerGroup® (NYSE: MAN), the world leader in innovative workforce solutions and the world's largest IT staffing services company, creates and delivers high-impact solutions that enable clients to achieve their business goals and enhance their competitiveness. With over 60 years of experience, the \$19 billion company maintains the world's largest and industry-leading network of nearly 3,900 offices in over 80 countries and territories catering to its 400,000 clients per year. More information on the ManpowerGroup is available at [www.manpowergroup.com](http://www.manpowergroup.com).

Clairfield Partners in India (Equirus Capital) was the exclusive financial advisor to WDC.
