The fund Wisequity II & Macchine Italia (managed by Wise SGR) sold the logistics company Mar-Ter Spedizioni to Mid Industry Capital.

Mar-Ter provides services in port handling and multi-modal transportation with a special focus on timber products. Mar-Ter was a portfolio company of Wise SGR, a private equity firm that specializes in the management of closed-end funds investing in small and medium-sized companies with a special focus on Italy.

Mid Industry Capital is a listed investment company dedicated to small and mid-cap companies.
