The Americas  
Asia Pacific

2010

One of the two shareholders of Visam acquired the shares of the other shareholder in an MBO transaction.

Visam has been active in the production of industrial electric vibrators for use by original equipment manufacturers since 1994. The company has distributors in Europe, North America, South Africa, and Australia and sales of about EUR 5 million.

Clairfield Partners in Italy (K Finance) acted as the exclusive financial advisor to both shareholders.
