Client overview

AmbuCare, founded in 2003, is a medium-sized staffing organization in the healthcare sector. Placed employees work in the (acute) ambulance service or in specialized clinical care, including A-nursing, emergency room, ICU, CCU, OK, MC. AmbuCare also offers staffing solutions for physicians.

Transaction overview

Private equity firm Holland Venture invested in AmbuCare to initiate a merger with its portfolio company HighCare. HighCare is a leading supplier of staffing solutions for specialized clinical care for Dutch hospitals and other medical institutions.

The investment enables HighCare and AmbuCare to act as a stronger and more reliable partner in staffing solutions for hospitals and regional ambulance services. In addition the educational institutions of both companies are now able to offer a broader range of training possibilities. The combined organization employs over 300 professionals and has a pool of 1000 temporary workers.
