2010

Hydratec Industries, formerly known as Nyloplast NV, acquired Euromouldings and Timmerije in two separate transactions.

Hydratec Industries NV is an industrial holding company with its main activities in the design and production of electronic panels, and design and manufacturing of plastic parts and blow moulded packages. The company has facilities in the Netherlands and the U.K. Hydratec Industries is listed at the NYSE Euronext stock exchange in Amsterdam

Euro Mouldings and Timmerije are Dutch companies that manufacture makes synthetic packing materials.

Clairfield Partners in the Netherlands (Boer & Croon) acted as the exclusive financial advisor to Hydratec.
