

has financed the Management Buy-Out of the leading Polish SAP consultancy and IT outsourcing company

SynCap acted as sole Financial Advisors to BCC

SynCap, Clairfield's partner in Germany and Belgium, acted as sole financial advisor to the owners of Polish company BCC (Business Consulting Center Sp. z o.o.) in the recent buy out transaction of shares financed by **ING Bank**.

BCC, the leading Polish SAP consulting and service company, is offering high added value services and solutions as well as hosting and IT outsourcing and similar services. Founded in 1995, the company has reached the leading market position in Poland as well as one of the dominant market positions in Central- and Eastern Europe. With nearly 200 high educated consultants BCC is able to deliver its known international services to the variety of large international corporations from e.g. the Netherlands, Germany and Scandinavia.

In 2010 the company achieved a turnover of around PLN 70m (approx. EUR 18m). BCC has a major goal: to ensure the customer satisfaction through a broad range of services and high quality proposition, customized solutions as well as the best system performance. BCC has been awarded with the Gold Partner status by SAP that recognizes the company's contribution, as an excellent consultancy and implementation Partner to the SAP license sales.
