

**SynCap**, Clairfield's partner in Germany and Belgium, initiated this Transaction and advised/ monitored the buyer and the selling shareholders.

**DESIGNA Verkehrsleittechnik GmbH**, is owned by MTH AG, Vienna, an industrial holding with approx. 2800 employees and annual sales of €500 million. Headquartered in Kiel and operational since 1951, Designa develops, produces, installs and maintains fully automatic parking management systems. The range of systems covers individual parking garages to integrated, intelligent system solutions that administer airport parking spaces or are networked across cities. Designa is represented in 60 countries with sales and service branches and has subsidiaries in Austria, France, Hungary, Italy, UK and the US. The group employs 250 people and achieved annual sales of approx. €50 million.

**Asytec GmbH**, founded in 1968, is active in the development, installation and maintenance of customized ticket, access control and video systems. A prominent local customer is Frankfurt Airport, who runs its entire car parking system by Asytec. Systems have been installed all over the world and Asytec maintains its own service network in Europe, South America, Near and Far East and Africa.
